

Schedule

Here is our schedule for the upcoming event. We've done our best to provide a good mix of topics and skill levels, we hope you'll find something of interest throughout the day. Our thanks to the speakers listed below for volunteering their time, we couldn't do it without them. If there are schedule changes we will make them here as they happen. We encourage you to check back a few days before the event just in case we have had to move one of your favorite sessions.

Advanced Analysis Techniques	Analytics and Visualization	Application & Database Development	BI Information Delivery	BI Platform Architecture, Development & Administration	Enterprise Database Administration & Deployment	Information Delivery	Professional Development	Other
------------------------------	-----------------------------	------------------------------------	-------------------------	--	---	----------------------	--------------------------	-------

Schedule is subject to change.
